GRAIN AND PROVISIONS.

Quotations furnished by W. B. Hibbs & Co., members of the Chicago Board of Trade, Hibbs

Buildris.

Chicago, Oct. 7.—There was only a moderate demand for cash wheat here and seaboard reported demand there quiet. Minneapolis cash market was very strong, No. 1 Northern bringing 2 to 2½ cents over December, with not much good spring wheat arriving and mills seemed anxious for that. Trade was rather light all day, and moetly of a local professional scalping character. The market, after opening lower in sympathy with the decline in Liverpool, later rallied on cables from the Argentine reporting continuation of drought. However, the Buenos Ayres market was lower, and this caused a reaction. Local receipts, 79 cars, with 60 estimated for to-morrow.

mated for to-morrow.

Provisions lost part of yesterday's gains and closed easy. The weakness in hog market and indications for increasing receipts was the chief bearish influence, though the continued slow shipping demand for both meats and lard had some effect. Packing interests led in the selling.
